January 2023 - April 2023

Welcome to WOW Women of Wisdom Inc.

WOW, established in 1999 is a marketplace ministry, a 501(c) 3 non-profit organization. Our mission is to create an atmosphere of Love and Connectivity. We spend time every month with women of influence, making a difference in our communities and building life-changing friendships.

SECRETS, SUBMIT and SURRENDER

Your sense of value should not be based on your successes or failures, how some people treat you, or how popular you are or are not. Have you ever shared a secret with someone, and said, "Don't tell anybody..." Too often people are good at telling your secrets or make you feel guilty, i.e., family, teachers, friends, or yourself. How do you deal with guilt?

As this year closes and another year begins. Submit totally to the Lord, James 4:7. Repenting is your full submission to the Lord and entire resistance to any enemy. Nothing is more freeing, energizing or reviving than looking away from yourself to the One who is "The Good Shepherd." Secrets of any kind, (including secret sins) bind you to your adversary, who secretly holds you hostage with torment and under sin's power, Romans 3:23. Father God desires your life to become more characteristic of His, versus that of the enemy. Tell the Lord you want His heart. Then put ALL your secrets in His hands. "Consciously choose to commit all my life and will to Christ's care and control." "For we all have sinned and are in need of the glory of God."

Then begin to walk and live in submission to Christ. When the adversary is resisted by the Ultimate Power of Christ working in you, the enemy withdraws. Surrender to the Almighty God is your Supreme Victory! (Ephesians 2:10) Leaving 2022, what secrets do you need to confess to the Lord? In 2023, are you ready to submit yourself to the Redeemer and resist the devil today? "I pray with great faith for you, because I'm fully convinced that the One who began this gracious work in you will faithfully continue the process of maturing you until the unveiling of our Lord Jesus Christ!" (Acts 3:19-21) Father God knows the names of the stars. He knows you by name. And His Majesty ALWAYS see the best in YOU; because YOU are His very own. YOU were already valued even before He created the universe. YOU were the focus of God's love.

Does Jesus Sit on the Throne of Your Heart

By Patrice Torricelli

Does Jesus sit on the throne of our hearts and is that throne- ship reflected in our prayers, love, trust, and adoration and expectations of Him? Is our love and adoration and trust towards God contingent upon His gifts, blessings, and answers to our prayers. Or do we seek Him for His presence?

Love the Lord your God with all your heart and with all your soul and with all your strength. Deuteronomy 6:5

Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight. Proverbs 3:5-6 Will we love and serve and trust the Lord REGARDLESS? Are we completely sold out for Jesus no matter what? Do we trust Him enough with our lives, our families, our prodigals, our poverty, our health, our circumstances that we are not moved by “things” not changing? Will we continue to serve our God whether or not our prayers are answered the way we hoped they would be or what if our circumstances never change, what if the answers, reconciliation and restoration can't be seen on the horizon? Do we seek Him for who He is or for what He can do for us? Presence versus presents. The Giver or the gifts? Can we honestly say - God, I will love and serve you no matter what? If Jesus has been removed from the thrones of our hearts, I think it's time to give Him back His rightful place and serve Him with our ALL REGARDLESS. Above all let's seek Him, seek His face, His presence. He is more than enough! **If you need prayer, please send your confidential prayer requests to pray@wowcommunity.org**

THANK YOU TO ALL OUR DONORS – WE APPRECIATE YOUR SUPPORT. TOGETHER, WE MAKE A HUGE IMPACT!

WOW Care Closet serves the needs of women in our community looking to enter or re-enter the workplace by providing new, or gently used business attire for interviews at absolutely no cost. WOW care closet is staffed entirely by volunteers who assist women in finding clothing that fits perfectly and looks great. Our volunteers keep the WOW Care Closet organized and create a welcoming and loving environment where women truly have a unique experience. Our goal is that all recipients not only leave with a perfect outfit for their interview, but they gain hope, self-esteem and confidence. If you know someone that needs business or gala attire or to donate, please contact Robin Killen at 228-424-0098. We appreciate you!

Fit for the King!

How often do we value rest? For some of us sleep is not that important. Oftentimes we are running on fumes because we have failed to get proper rest. What is interesting is that I was reading an article that mentioned how sleep deficiency could not only affect you mentally, but it could also affect you physically. The article also indicated that sleep deficiency affects our relationships, our ability to focus, and creates health issues. Even if we only placed emphasis on the lack of focus and physical health concerns, the fact of the matter is that our “spiritual man” would be affected as well. When we are physically tired, mentally drained, and sleep deprived, how can we present the best version of ourselves to the world? More importantly, how can we be attentive to what God is saying and/or doing? Yes, God can supply you with a fresh wind and supply you with strength for the journey, but why not invest in taking care of the temple that He has given you? Remember, God wants us Healthy and Whole in every area of our lives and this includes getting proper rest. 😊
